PUBLICATIONS, ACTIVITIES, ORGANIZATIONS: Allen Rockford, 505 Seeley Rd, Syracuse, NY 13224 has a flyer from the Nat. Assoc. of FM Broadcasters urging that almost all radios (especially car) be FM equipped. This is advantageous since many old radio shows are broadcast on FM only. PERSONALITIES: Mary Margaret McBride still flourishes in upstate New York. She recently celebrated her 13th anniversary with WGHQ (920 Khz) in Kingston, NY which broadcasts her interview show on Monday, Wed. and Friday from 11 a.m. to noon. Mary Margaret, 73, was WOR's Martha Deane in 1934...Ish Kabibble (Merwyn A Bogue), well known in Kay Kyser's Kollege of Musical Knowledge, is alive and well selling real estate in Honolulu. How did he get that name? Says Bogue: One night in 1935 I combed my hair goofy with the bangs while singing a song called Ish Kabibble. It was a song I found on a music sheet in an old piano stool. A guy named George Meyer wrote it in 1908. Ish Kabibble is an old German expression meaning "I should worry" or "Oh the hell with it." Some lines are: I never tarry or hurry. Ish Kabibble.. I never care or worry. Ish Kabibble..I never worry if they steal my wife..And let a little pimple grow on my young life..Ish Kabibble... The song caught on. Ish caught on.

 \$4.50 IS DUE FOR ANOTHER YEAR

The TAPE DECK: Ray Stanich has designed and finished the construction of a selectable Notch Filter (50/60/100/120/150/180 Hz) to take care of US and foreign hum elimination. More about it later if it works ...Charles McDonald, Box 92, Lakeland, Fla 33802 collects old radios. During the past 2 years he has been working on old radios such as Atwater Kents, RCAs and Crosleys. While listening to these old radios (to quote Chuck) I have made what I think is a discovery. The speakers of old radio receivers did not have the bass response of modern equipment. Once I reached this conclusion I began experimenting with the goal of duplicating the sound of the old radios. The first thing I found was it is necessary to adjust the bass control to its minimum level. I then started to work with the treble controls. On my equipment the sound is most like the old speakers with the treble almost all the way up. While the method I have described works well I have found it is easy to use the speakers of antique radios for sound reproduction with modern amplifiers...Len Lawson, 1206 Notre Dame Ct, Livermore, Cal 94550 is now selling High Fidelity Tape from Capitol. Price: 1200 ft reels only; \$1.15 per reel in lots of 12 and \$1.05 per reel in lots of 48. Prices include shipping and handling. Californians add sale tax. LET THE BUYER BEWARE: Tom Cole, Nostalgia of Miami, Jim Harmon, Richard Gasciello, Wil Dufour, Dwight Lindley, Cam Denoncour, R Hutchison, I have had one complaint about James Hitt of Norfolk, Va...Has anyone had further problems with Ownas Pomeroy or Luther Sies?...To clarify this section: If a reader writes to me complaining of poor service or no service I write to the party involved. If nothing is heard within a month I mention their names only as a precaution. Many times the complaint is straightened out through my efforts...Also received one complaint about Wally Knight of Vancouver, BC.

PROGRAM REVIEWS - THE SHADOW

THE SHADOW COMES TO THE NBC NETWORK WITH THE SAME SPONSOR WHO ALSO HAD A MUSICAL PROGRAM ON THE CBS CHAIN [BLUE COAL]. THIS MYSTERIOUS CHARACTER WHICH HAS BEEN DONE BOTH BY FRANK READICK AND GEORGE EARLE, IS, OF COURSE, ASSOCIATED WITH MODERN MYSTERY AND DETECTIVE STORIES, AND AS SUCH HAS ACHIEVED ITS FOLLOWING. CURRENT STORIES DRAMATIZED ARE BEING DRAWN FROM VARIOUS AUTHORS AND SOURCES, BOTH GOOD AND BAD. THIS EVENING'S STORY IS A TALE OF WITCHCRAFT, NOT GOING BACK TO THE DAYS OF SALEM, BUT...INTO ANCIENT PRUSSIA.

NATURALLY, SUCH A DRAMATIZATION LEAVES THE GOOD OLD SHADOW IN THE LURCH AND HARSHIPS HIM TERRIBLY. HE REALLY HAS NOTHING TO DO WITH SUCH A STORY EXCEPT ACT WISE AND SO NULLIFIES THE VALUE OF THE TITLE. PARTICULAR STORY ENACTED IS MORE LIKE A FAIRY TALE FOR OLDER CHILDREN, WITH THE GENERAL THEME NO DIFFERENT THAN SUCH STORIES....THE STORIES SHOULD BE ALONG THE MODERN DETECTIVE STYLE OR ELSE THE TITLE OF THE HALF HOUR PERIOD MEANS NOTHING.

PROGRAM NOTES

ORSON WELLES MOVED INTO THE MAYOR OF OUR TOWN (CBS) LAST WEDNESDAY NIGHT [MAY 19] ON SHORT NOTICE AND DID A CLICK PIECE OF PINCH-HITTING FOR LIONEL BARRYMORE, WHO WAS DESCRIBED AS BEING TEMPORARILY INDISPOSED. WELLES' MAINTENANCE OF THE BARRYMORE RASP THROUGHOUT THE SKETCH WAS IN ITSELF NO LITTLE FEAT AND HIS CHARACTERIZATION FIGURED AS AN APT FIT FOR A THEME THAT DIDN'T REQUIRE MUCH OF A DRAMATIC STRAIN ANYWAY[SIC]. THE EPISODE HAD TO DO WITH THE DIZZY ENTANGLEMENTS OF SOME PENRODS AND THEIR FEMALE COUNTER-PARTS. [ED. NOTE-DOES ANYONE HAVE A COPY OF THIS BROADCAST?]
